4 Core Discipleship Values

SPEND TIME WITH OTHERS

In the fall, we focus on developing the spiritual habit of Christlike community when teenagers are beginning a new school year, making new friends, and getting plugged into new small groups.

USE YOUR GIFTS

In the winter, we focus on helping students develop the spiritual habit of knowing and using their gifts to serve God and others, because during the holidays, there are lots of service opportunities available.

SPEND TIME WITH GOD

In the spring, we go deep into the spiritual habit of spending time with God individually through personal spiritual disciplines, when Easter is on the way and the unpredictability of school and the holidays will have leveled off into some stability for your students and your ministry.

SHARE YOUR STORY

In the summer, we focus on helping students develop the spiritual habit of sharing their stories while they prepare for summer mission experiences and a new school year.
